17 - 19 November 2011

BULGARIAN
SOCIETY OF
NEUROSURGERY

First Announcement

On behalf of the Organization Committee and on my own behalf, I am more than pleased to cordially invite you to take part in the 7th Black Sea Neurosurgical Congress, which will be held in Riu Pravets Resort, Sofia, Bulgaria in the period 17 - 19 November 2011.

In the past ten years these congresses, organized by the Black Sea countries, have become major professional events whose main purpose is to promote the scientific and practical achievements in our sphere, in compliance with the global rates and trends.

1999 - 1st Black Sea Neurosurgical Congress - Constanta Harbor, Romania

2001 - 2nd Black Sea Neurosurgical Congress - Thessaloniki, Greece

2003 - 3rd Black Sea Neurosurgical Congress - Odessa, Ukraine

2005 - 4th Black Sea Neurosurgical Congress - Chisinau, Moldova

2007 - 5th Black Sea Neurosurgical Congress - Krasnodar, Russia

2009 - 6th Black Sea Neurosurgical Congress - Istanbul, Turkey

And in 2011 it is our great honor to welcome the 7th Black Sea Neurosurgical Congress in Bulgaria.

More information about the Registration, Topics, Call for abstracts, Hotel accommodation and Deadlines will be made available soon both on the website of the **Bulgarian Society of Neurosurgery** - www.neurosurgery.bg and **Company for International Congresses** - the Official Agent of the Congress - www.cic.bg.
